Liability and Permission Forms

By law, states, counties, and special districts (such as independent school districts), are generally immune from liability. That is, the school district is generally not liable for injuries sustained by students or for the loss or damage to personal property.

The Texas Tort Claims Act provides that, in certain circumstances, a school district in the State is liable for property damage, personal injury or death caused by wrongful act, omission, or negligence of an employee acting within the scope of his employment if the property damage, personal injury or death arises from the operation or use of a motor-driven vehicle or motor-driven equipment. This act makes a school district liable in some circumstances for injuries or damages that result from the operation of motor vehicles such as buses.

Parents and students are reminded that the District will likely not be liable in the event of personal injury or property damage. Further, the permission form is acknowledgement by the parent that the student will be participating in certain activities and that the District will likely be immune from any liability for damages that may result. Parents and/or students agree to be responsible and to indemnify and hold harmless the District, its Trustees, employees and agents from all claims made by third parties against it or them which result from their child's actions on the experience.

**Please complete and return the bottom portion of this form prior to the trip.
Failure to do so will result in your child's non-participation in the experience.**

I, _____, the parent/guardian of _____,
(PARENT'S NAME) (STUDENT'S NAME)

AGREEMENT TO FOLLOW AUDITION AND CLINIC/CONCERT COVID PROTOCOLS

DIRECTORS: Read and copy this form. Provide to each auditioning student to sign and return to you. *Submit all signed forms at the audition check-in.*

STUDENTS: Completing this form is required to audition. Carefully read, sign, and get your parent/guardian signature. Return the signed form to your director immediately.

In these requirements, "site" means any building in use for TMEA auditions and clinic/concerts:

I agree to comply with the following COVID protocols to participate in a TMEA-sponsored audition or clinic/concert.

I understand that if I do not comply with the following while at the audition site, I could be disqualified from the audition or ensemble.

- Do not enter the audition site building(s) if you have COVID-19 or if in the last 48 hours you have had any of the following symptoms unrelated to some other condition: fever (100.4° F or higher) or chills; cough; shortness of breath or difficulty breathing; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.
- Do not enter the audition site building(s) if you have been in prolonged close physical contact with anyone with COVID-19 in the past 10 days, unless you are fully vaccinated, have since tested negative for COVID, or had COVID in the last 3 months.
- Limit your time in the site to that which is required for your audition or volunteer role or for your participation in or attendance at the clinic/concert.
- If required by the audition host site or by your own district for off-campus/extracurricular events, wear a mask that covers your nose and mouth while inside the audition site building(s). You may remove your mask to play a wind instrument or sing in warmup or audition or, briefly, to eat or drink. *Where not required, TMEA still strongly recommends everyone wear a mask.*
- Maintain distance whenever possible.
- Follow all host site requirements and your school district's requirements for off-campus/extracurricular events. If any requirement is in conflict, follow the more stringent requirement. (Directors have access to the host site requirements in the audition entry system.)
